

## Announcement of Escalating the Future Step of Nursing

**Jamews Okeya**

A.I.C Kijabe hospital, as a critical care nurse-in pediatric ICU. In Nairobi, Kenya Email: [jamesorengel1@gmail.com](mailto:jamesorengel1@gmail.com)

The **“48th World Congress on Advanced Nursing Research”** hosted by conference series with the theme, **“To Promote Excellence in Nursing Research”** was successfully executed during **June 14-15, 2018** in **Dublin, Ireland**. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Nursing and Nursing Midwifery.

The conference commenced with the presence of worthy Keynote forum and among the notable ones, few are listed below.

- **“Evolving Nursing Leadership Edge in the 21st Century: Challenging All Borders”** by **Rodolfo C. Borromeo**, Director of Nursing Service Division of San Juan de Dios Educational Foundation, Inc. – Hospitalz
- **Geriatric outreach and training with Care (GOT Care!): An interprofessional solution to enhance training for the healthcare workforce and improve outcomes for vulnerable older adults** By **Millicent M Malcolm** University of Connecticut, USA
- **Nursing students’ sleep patterns and perceptions of safe practice** By **Lois James** Washington State University, USA
- **Admission to discharge: obstetric simulated clinical experiences** By **Cheryl L DeGraw** Central Carolina Technical College, USA

Conference series is organizing **“51st World Congress on Advanced Nursing and Nursing Practice”** which is going to be held on March 16-17, 2020 at Sydney, Australia. The conference is going to cover the entire field related to [Nursing Practice](#), [Nursing Care](#), [Emergency Nursing](#) latest research and findings. The Conference will provide a

platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors.

Advanced nursing research directed towards its impact on clinical practice and outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Attendees will be provided with the tools to enhance nursing research education. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

The **Conference Highlights** of 2020 are as follows: Nursing Education & Nursing Management, Clinical Nursing, Surgical Nursing, Emergency Nursing, Nursing Practice, Advanced Nursing Practice, Midwifery & Women health Nursing, Pediatric Nursing, Disaster Nursing & Travel Nursing, Oncology Nursing, Nursing Primary Care, Cardiovascular Nursing, Psychiatric and Mental Health Nursing, Nursing Informatics, Dental Nursing, Public Health & Community Health Nursing, Wound Care Nursing, Operating Room Nurse, Gerontology Nurse, Nursing Rehabilitation & Management, Nurse as Caregiver
