Pulsus Group always inspire researchers and scientists to build up their best studies. Pulsus publicizes an outline of Awards for Young Scientists/Student Speakers and Speakers of Nursing Care 2020 conference in order to help excellence in various fields of midwifery and maternal care. The award is open to those researchers involved in graduate education and research happenings that accentuate bearable progress.

The awards for the presenters include:

**Young Scientist Award:**

**Eligibility:** Any scientist, engaged in research work laboratories/institutes, who is not more than 35 years of age, is eligible for the Award.

**Criteria:** Each scientist must submit their unique research works

**Benefits:**

Advancing perfection and perceiving remarkable commitments made by the youthful researchers for their work done essentially during the span of study.

Find out about career advancement and the most recent research devices and technologies in your field.

Graduates are motivated by the chance to choose neighbourhood (or) worldwide subjects of pertinence/enthusiasm to them and build up their own logical examinations and models drawing in locally or universally.

Two researchers will be chosen for the Awards.

Chance to be a student envoy.

Chances to coordinate with partners around the world

Discounts at the PULSUS conferences, at different worldwide venues in future.

Chance to distribute full length papers in rumored supporting international journals of respective conference

Best Young Scientist Award introduction will be named by the board and in the event that they wish to publish the full length paper, they can publish in supporting worldwide journals of the respective conference at free of preparing charges.

**Best Poster Award:**

This is a unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation. Eligible for all interested midwives and healthcare professionals including scholars.

The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF.

**Benefits:**

Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation

Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference

The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF

Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

**The selection of the winner will be based on:**

Posters will be evaluated based on the following three parameters; those are Presentation Style (5), Research Quality (5) and Layout/Design (5).

Presentation clarity of poster and oral explanation.
Poster Judges overall responses to the questions and the completeness of work

**Poster guidelines:**

- The size of the poster should be: 40" x 59" or 1X1.5 Sq.Mts.
- Space your information proportionally: divide your poster either horizontally or vertically into three or four sections and place your materials within those spaces.
- Use large text (your text should be at least 18-24 pt; headings 30-60 pt; title >72pt.
- Choose colors carefully and pay attention to contrast.
- Cropping, Margins and Spacing: All edges and margins should be straight and even. Don't overcrowd space and be attentive to balance from top to bottom and from the side margins. Organize your elements into columns.
- White space: (the area not covered with text or graphics): Not too much (or the viewer's eye will wander). Not too little (or you'll confuse and overwhelm your viewer)
- Posters should have the following information.

  Title (with authors and affiliations)

  Introduction / Objectives / Aims

  Methods

  Results

  Conclusion

  References

  Acknowledgements

  Contact information

- Poster should be placed at the allotted places 2 hours prior to the poster session and can be removed at the end of the day.
- Keep your poster presentation to ~15 minutes per visitor/judge (10 min discussion & 5 min query session).
- Each poster can be presented by maximum 2 presenters during the poster evaluation.
- Try not to stand directly in front of your poster, allow other scientists to view the entire poster. Stand to the side.
- Carry your poster to the meeting, using tubular packaging or a portfolio case. Do not mail your poster to the conference headquarters or to the meeting site.

**Research Excellence Award:**

This award will be given for the best speaker with good research ideas. The research work should be relevant, and the presentation must be refined. The submitting abstract for the presentation and publication must not published in any other journals.
